POWER BALLS

Flavor Factory is a dynamically developing and innovative business, which operates in the health food market. We are a producer of high quality, natural products which exceeds our customers' expectations. We are deeply committed to providing only the best products of unique nutritional value. We make every effort to ensure our products come from verified sources. Flavor Factory cooperates with select Polish and foreign suppliers, including among others: Czech Republic, Russia, Kazakhstan, China, India, the United States, Hungary and Bulgaria. Our quality management division closely monitors and controls every product leaving the plant. The competitiveness of our offer is a result of our ability to directly import the majority of goods which are sold by us, straight from the producers themselves. By investing in an innovative technological line for the purification, sorting, and packaging of our products, we have achieved a guarantee of product quality and the possibility of offering them at attractive prices. We are proud to offer something to everyone, for which a healthy lifestyle is a priority. We offer gluten and lactose free products, sports food, low glycemic food for diabetics, products for people with autoimmune diseases and many more. Our products are 100% all natural and do not contain any preservatives or dyes.

We look forward to cooperating with you!
